

#### ABOUT US

Memminger LLP is a leading German Corporate Boutique Law Firm based in Frankfurt/Main.

Our law firm, active on the global stage, was founded by Partners and Lawyers from renowned international firms, to combine quality legal services and a long history of transactional experience with commercial expertise in the provision of advisory services and thereby to efficiently achieve our clients' goals.

As "Trusted Advisors", we put the interests of our clients, pragmatism and integrity first. We are more than just your legal advisors. We are your strategic partners, who make it possible for you to concentrate on the really important things. We advise in small teams of top-class specialists, according to our motto: "We talk the talk and we walk the walk".

Internationality is an integral part of our Firm culture and of our advisory approach. Our colleagues obtained their degrees at the most renowned universities and business and/or law schools in Germany, France, England, China, Singapore, the USA and Australia.
