

## **Memminger LLP advises Heimomed Heinze GmbH & Co. KG on acquisition by Atos Medical**

12.01.2018 Atos Medical, a portfolio company of PAI Partners, has acquired Heimomed Heinze GmbH & Co. KG, based in Kerpen. Both companies specialize in the care of laryngeal patients and are among the leaders in their field.

Memminger LLP provided legal advice to the sellers of Heimomed and comprehensively managed the process.

### **About Memminger LLP**

Memminger LLP is a leading corporate boutique and advises German and international investors and companies on mergers & acquisitions, private equity, corporate finance and digital business transactions.

### **About Atos Medical**

Atos Medical is the leading manufacturer of vocal and pulmonary rehabilitation aids for patients without a larynx. Founded in Sweden, the group has more than 30 years' experience in treating people who had larynx surgery and has, in its history, supported more than 70,000 people in over 70 countries with their products. The headquarters of the Atos Medical Germany branch with 150 employees is Troisdorf.

### **About Heimomed Heinze GmbH & Co. KG**

Heimomed is a leading supplier of products and care to people who need high-quality equipment after a tracheotomy to be able to breathe freely and to control their speech problems. The company was founded in 1970 by Werner Heinze and employs 137 people at the locations Kerpen, Greussen and Amstetten.
