

## **Chambers Europe 2018: Ranking for Dr. Peter Memminger of Memminger LLP in the area of "Private Equity"**

The internationally acclaimed legal publisher Chambers and Partners ranks Dr. Peter Memminger – founding partner of Memminger LLP – in the area of "Private Equity" in its latest issue of "Chambers Europe 2018". Launched just 16 months ago, the firm is the youngest firm to penetrate into a group of recommended law firms in Europe dominated by law firms with a long-standing market presence.

Memminger LLP is a leading transaction boutique representing and advising private equity funds, high net worth individuals, family offices and corporations worldwide. The law firm has recently made a name for itself with its legal and economically integrated consulting approach. Since its foundation, the team has now grown to 7 lawyers and partners.

The Chambers Rankings is based on extensive surveys of market participants, lawyers and clients, which are examined and evaluated by a large team of more than 170 researchers.
