

## **02/07/2018 – Memminger advises on sale of Linimed Gruppe GmbH from Vitruvian Partners LLP to GHO Capital Partners LLP**

### **The transaction**

Financial investors are continuing to be on the hunt in the healthcare industry. From an intense bidding contest, London-based private equity investor GHO Capital Partners LLP emerged as the buyer of the Linimed-Fazmed care company from Vitruvian Partners LLP over the weekend. The amount of the sale price was not disclosed.

Vitruvian Partners LLP, the Linimed founders as well as the Linimed management were supported from the negotiation of the purchase agreement until the successful conclusion of the transaction by the law firm Memminger. The law firm Norton Rose Fulbright LLP was consulted for the creation of the legal fact book and the data room creation.
