About us

Memminger LLP is a leading Transaction Boutique Law Firm based in Germany that advises high net worth individuals, family offices, companies and private equity funds worldwide on all legal and commercial issues and stands for extraordinarily high service quality.

What we look for

- fully qualified lawyers with excellent results from the German State Exams; a doctorate or PhD (desirable, but not a prerequisite)
- outstanding mental agility, a structured work ethic as well as the ability to work independently
- legal and business expertise
- a confident manner, selected expression and high resilience and discipline
- professional computer skills in Microsoft Word
- excellent written and spoken skills in the German and English language

What we offer

- a diverse work environment with flat hierarchies and direct contact to partners
- professional experience with in-depth legal and economic challenges
- early communication with reputable clients
- optimal development prospects and individual, targeted career planning
- performance-related salary
- european secondments
- modern work space and a spirited, competent team
